Background to and reasons for the Placing

Windar is a technology group that has developed its WindEye and LiDAR wind sensors and its related WindTimizer and 'Nexus' software suite designed to efficiently and cost effectively increase the power output and reduce lifetime operating costs of electricity generating wind turbines.

The Company's cost-efficient LiDAR hardware and software solutions provide power output gains of 1-4 per cent. and reduced load stress when fitted to a broad range of wind turbines. The combination of Windar's LiDAR hardware and its Wintimizer integration software provide unique 'plug and play' functionality for the retrofit market globally. To date, Windar has penetrated less than 0.3 per cent. of an addressable market of approximately 500,000 turbines globally.

Following the equity fundraise in April 2024, Windar is adequately capitalised to continue its planned rate of growth and the capability to increase production capacity to 2,500 units per year in 2025 to meet short term requirements. Currently the business is impacted by the nature of its customer base

and target market resulting in a small number of large orders. The capital nature of these orders from the customers' perspective elongates the negotiation and/or purchase approval process making the timing of orders difficult to predict. The Company has developed a Turbine Optimisation Monitoring solution by bundling its products together on a monthly subscription basis providing customers with an ongoing service to increase power delivery with no up-front cost. It is anticipated that this will be highly appealing for certain customers and provide attractive long term returns for the Company through a recurring revenue model over a 10 year contract period. The implementation of this and acceleration of the move towards a recurring revenue model will require increased working capital.

The proposed Placing is intended to provide the increased working capital to fund and accelerate the transition to a recurring revenue model and to fund the development of sales resource within the Company to support delivery of growth.

The Placing will also give the Company the opportunity to utilise the remaining EIS/VCT capacity available to it, whilst seeking to expand its share register with supportive long term institutional shareholders.

Current trading and prospects

The Company released a trading update on 12 November 2024 and the following key themes were included in that announcement:

The Board anticipates that the Company will achieve revenue of €6 million to €7 million for the year ending 31 December 2024 (2023: €4.7 million) implying EBITDA of between €0.4 million and €0.9 million (2023: €0.2 million). The Board is confident that any shortfall for the current year will be fully recovered in year ending 31 December 2025. The Company is in advanced discussions with a number of independent power producers ("IPPs"), constituting a €60 million pipeline of prospective hardware sales should all of said discussions translate into orders.

The Board has identified multiple opportunities to deliver superior net present value from its order pipeline, including a potential multi-year recurring revenue structure for its largest orders, and capacity to improve production to 2,500 per annum when required. The Directors also highlighted the need to further strengthen the sales function, to meet the workload of simultaneous discussions with multiple IPPs.

Use of proceeds

The net proceeds of the Placing received will be used to:

- fund the increased working capital necessary for the Company to accelerate its growth into a recurring revenue model through its Turbine Optimisation Monitoring;
- bolster the executive management team;
- continue research and development, to take advantage of physical product and software as well as service related opportunities;
- develop new sales channels, and the Company's sales and marketing capabilities and activities in order to deliver on its near and medium term growth opportunities; and
- strengthen the Company's balance sheet.

Details of the Placing

The Company is proposing to raise gross proceeds of £5.5 million through a Placing at the Placing Price (to be determined at the close of the Bookbuild) and is being made available to new and existing

institutional and other investors using its existing share authorities to issue shares for cash on a non-pre-emptive basis.

The Bookbuild will open with immediate effect following the release of this Announcement and is expected to close on or before 6.00 p.m. on 3 December 2024. The timing for the close of the Bookbuild and the determination of the final number of Placing Shares to be issued, the allocation of the Placing Shares and the Placing Price shall be at the discretion of Dowgate in consultation with the Company. The result of the Placing will be announced as soon as practicable after the close of the Bookbuild.

Dowgate's obligations under the Placing Agreement in respect of the Placing are conditional, *inter alia*, upon:

- a) the Placing Agreement becoming unconditional in all respects and not having been terminated in accordance with its terms prior to Admission; and
- b) Admission occurring by no later than 8.00 a.m. on 5 December 2024 or such later time and date (being not later than 8.00 a.m. on 19 December 2024) as Dowgate and the Company may agree.

If either of the conditions above are not satisfied or waived (where capable of waiver), the Placing Shares will not be issued.

EIS/VCT tax relief

As part of the Placing, the Company is seeking to raise funds by the issue of Placing Shares to Venture Capital Trusts ("**VCTs**") and investors seeking tax relief under the Enterprise Investment Scheme ("**EIS**").

The Placing Shares to be issued pursuant to the Placing are intended to rank as "eligible shares" for the purposes of EIS and VCT investors and a "qualifying holding" for the purposes of an investment by VCTs, each pursuant to the relevant respective sections of the Income Tax Act 2007 ("**ITA 2007**"). The Company has not made an advanced assurance application to HM Revenue & Customs ("**HMRC**") in respect of EIS qualification of this Placing, but the Directors expect that the Company would, subject to the relevant limits on such issuances, be able to issue the Placing Shares as "eligible shares" under the relevant sections of the ITA 2007.

Neither the Company nor the Directors give any warranties or undertakings that EIS Relief or VCT Relief will be granted in respect of the Placing Shares. Neither the Company nor the Directors give any warranties or undertakings that EIS Relief or VCT Relief, if granted, will not be withdrawn. If the Company carries on activities beyond those disclosed to HMRC in a prior advance clearance, then shareholders may cease to qualify for the tax benefits.

Investors considering taking advantage of any of the EIS Relief or VCT Relief should seek their own professional advice and rely on it.

Application for Admission

Application will be made to the London Stock Exchange for the Placing Shares to be admitted to trading on AIM.

Admission is expected to take place and dealings in the Placing Shares are expected to commence at 8.00 a.m. on 5 December 2024 (or such later time and/or date as may be agreed between the Company and Dowgate, being no later than 8.00 a.m. 19 December 2024).

Information to Distributors

Solely for the purposes of the product governance requirements contained within the FCA Handbook Product Intervention and Product Governance Sourcebook (the "**UK Product Governance Rules**"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the UK Product Governance Rules) may otherwise have with respect thereto, the Placing Shares have been subject to a product approval process, which has determined that the Placing Shares are: (i) compatible with an end target market of investors who meet the criteria of professional clients and eligible counterparties, each defined in the FCA Handbook Conduct of Business Sourcebook ("**COBS**"); and (ii) eligible for distribution through all distribution channels as are permitted by the UK Product Governance Rules (the "**UK Target Market Assessment**").

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("**MiFID II**"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the "**MiFID II Product Governance Requirements**"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" and/or "distributor" (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the Placing Shares have been subject to a product approval process, which has determined that the Placing Shares are: (i) compatible with an end target market of: (a) investors who meet the criteria of professional clients and (b) eligible counterparties (each as defined in MiFID II); and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II (the "**EU Target Market Assessment**").

Notwithstanding the UK Target Market Assessment and the EU Target Market Assessment, distributors should note that: the price of the Ordinary Shares may decline and investors could lose all or part of their investment; such securities offer no guaranteed income and no capital protection; and an investment in such securities is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom.

Each of the UK Target Market Assessment and the EU Target Market Assessment is without prejudice to any contractual, legal or regulatory selling restrictions in relation to the Placing. Furthermore, it is noted that, notwithstanding the UK Target Market Assessment and the EU Target Market Assessment, Dowgate will only procure investors who meet the criteria of professional clients and eligible counterparties each as defined under COBS or MiFID II, as applicable.

For the avoidance of doubt, each of the UK Target Market Assessment and the EU Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of Chapters 9A or 10A respectively of COBS or MiFID II, as applicable; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Placing Shares.

Each distributor is responsible for undertaking its own target market assessment in respect of the Placing Shares and determining appropriate distribution channels.

Persons (including, without limitation, nominees and trustees) who have a contractual or other legal obligation to forward a copy of this Appendix or the Announcement of which it forms part should seek appropriate advice before taking any action.

These terms and conditions apply to persons making an offer to acquire Placing Shares and should be read in their entirety. Each Placee hereby agrees with Dowgate and the Company to be bound by these terms and conditions. A Placee shall, without limitation, become so bound if Dowgate confirms to such Placee its allocation of Placing Shares.

Upon being notified of its allocation of Placing Shares, a Placee shall be contractually committed to acquire the number of Placing Shares allocated to it at the Placing Price and otherwise on the terms and conditions set out in this Announcement and, to the fullest extent permitted by law, will be deemed to have agreed not to exercise any rights to rescind or terminate or otherwise withdraw from such commitment.

In this Appendix, unless the context otherwise requires, "Placee" means a Relevant Person (including individuals, funds or others) on whose behalf a commitment to subscribe for or acquire Placing Shares has been given.

Details of the Placing Agreement and the Placing Shares

Dowgate and the Company have entered into a Placing Agreement, under which Dowgate has, on the terms and subject to the conditions set out therein, undertaken to use its reasonable endeavours to procure subscribers for the Placing Shares at the Placing Price. The Placing is not being underwritten by Dowgate or any other person.

The number of the Placing Shares and the Placing Price will be determined following completion of the Bookbuild. The timing of the closing of the Placing and the determination of the number and allocation of Placing Shares to Placees and the Placing Price are at the discretion of Dowgate, following consultation with the Company. Allocations will be confirmed orally or by email by Dowgate following the close of the Bookbuild. A further announcement confirming these details will then be made as soon as practicable following completion of the Bookbuild.

The Placing Shares will, when issued, be subject to the Company's articles of association, will be credited as fully paid and rank *pari passu* in all respects with the Existing Ordinary Shares, including the right to receive all dividends and other distributions (if any) declared, made or paid on or in respect of Ordinary Shares after the date of issue of the Placing Shares.

Application for admission to trading on AIM

Application will be made to the London Stock Exchange for admission to trading on AIM of the Placing Shares. It is expected that settlement of the Placing Shares and Admission will become effective at 8.00 a.m. on 5 December 2024 and that dealings in the Placing Shares will commence at that time.

Bookbuild Placing

Dowgate will today commence an accelerated bookbuilding process to determine demand for participation in the Placing by potential Placees at the Placing Price. This Appendix gives details of the terms and conditions of, and the mechanics of participation in, the Placing. No commissions will be paid to Placees or by Placees in respect of any Placing Shares.

Dowgate and the Company shall be entitled to effect the Placing by such alternative method to the Placing as they may, in their discretion, determine.

The principal terms of the Placing are as follows:

1. Dowgate is arranging the Placing as sole agent for, and broker of, the Company.
2. Participation in the Placing is only available to persons who are lawfully able to be, and have been, invited to participate by Dowgate. Dowgate and any of its affiliates are entitled to participate in the Bookbuild.
3. The Bookbuild, if successful, will establish the number of Placing Shares to be issued and the Placing Price, which will be determined by Dowgate, in consultation with the Company, following completion of the Bookbuild. The results of the Placing, including the number of Placing Shares and the Placing Price, will be announced on a Regulatory Information Service following completion of the Bookbuild.
4. To bid in the Placing, prospective Placees should communicate their bid by telephone or email to their usual contact at Dowgate. Each bid should state the value of Placing Shares which the prospective Placee wishes to subscribe for. Bids may be scaled down by Dowgate on the basis referred to in paragraph 8 below.
5. The Bookbuild is expected to close no later than 6:00 p.m. on 3 December 2024 but may be closed earlier or later subject to the agreement of Dowgate and the Company. Dowgate may, in agreement with the Company, accept bids that are received after the Bookbuild has closed. The Company reserves the right to reduce or seek to increase the amount to be raised pursuant to the Placing, in its absolute discretion.
6. Allocations of the Placing Shares to Placees will be determined by Dowgate, following consultation with the Company. Each Placee's allocation will be confirmed to Placees orally, or by email, by Dowgate following the close of the Bookbuild and a trade confirmation or contract note will be dispatched as soon as possible thereafter. Oral or emailed confirmation from Dowgate will give rise to an irrevocable, legally binding commitment by that person (who at that point becomes a Placee), in favour of Dowgate and the Company, under which it agrees to acquire by subscription the number of Placing Shares allocated to it at the Placing Price and otherwise on the terms and subject to the conditions set out in this Appendix and in accordance with the Company's articles of association. Except with Dowgate's consent, such commitment will not be

capable of variation or revocation. Dowgate may choose to accept bids, either in whole or in part, on the basis of allocations determined at their absolute discretion, in consultation with the Company, and may scale down any bids for this purpose on the basis referred to in paragraph 8 below.

7. The Company will make a further announcement following the close of the Placing detailing the results of the Placing and the number of Placing Shares to be issued at the Placing Price.
8. Subject to paragraphs 4 and 5 above, Dowgate may choose not to accept bids and/or to accept bids, either in whole or in part, on the basis of allocations determined at its discretion (after consultation with the Company) and may scale down any bids for this purpose on such basis as it may determine. Dowgate may also, notwithstanding paragraphs 4 and 5 above, subject to the prior consent of the Company, allocate Placing Shares after the time of any initial allocation to any person submitting a bid after that time or allocate Placing Shares after the Bookbuild has closed to any person submitting a bid after that time.
9. A bid in the Placing will be made on the terms and subject to the conditions in the Announcement (including this Appendix) and will be legally binding on the Placee on behalf of which it is made and, except with Dowgate's consent, will not be capable of variation or revocation from the time at which it is submitted. Following Dowgate's oral or written confirmation of each Placee's allocation and commitment to acquire Placing Shares, each Placee will have an immediate, separate, irrevocable and binding obligation, owed to Dowgate (as agent for the Company), to pay to it (or as it may direct) in cleared funds an amount equal to the product of Placing Price and the number of Placing Shares such Placee has agreed to acquire and the Company has agreed to allot and issue to that Placee.
10. Except as required by law or regulation, no press release or other announcement will be made by Grant Thornton, Dowgate or the Company using the name of any Placee (or its agent), in its capacity as Placee (or agent), other than with such Placee's prior written consent.
11. Irrespective of the time at which a Placee's allocation pursuant to the Placing is confirmed, settlement for all Placing Shares to be acquired pursuant to the Placing will be required to be made at the same time, on the basis explained below under "Registration and Settlement".
12. All obligations of Dowgate under the Placing will be subject to fulfilment of the conditions referred to below "Conditions of the Placing" and to the Placing not being terminated on the basis referred to below under "Right to terminate the Placing Agreement".
13. By participating in the Placing, each Placee agrees that its rights and obligations in respect of the Placing will terminate only in the circumstances described below and will not be capable of rescission or termination by the Placee.
14. To the fullest extent permissible by law and the applicable rules of the FCA, neither Dowgate, nor the Company, nor any of their respective affiliates, agents, directors, officers or employees shall have any liability to Placees (or to any other person whether acting on behalf of a Placee or otherwise whether or not a recipient of these terms and conditions) in respect of the Placing. In particular, neither Dowgate, nor the Company, nor any of their respective affiliates, agents, directors, officers or employees shall have any liability (including to the extent permissible by law, any fiduciary duties) in respect of Dowgate's conduct of the Placing or of such alternative method of effecting the Placing as Dowgate and the Company may determine.
15. The Placing is not subject to any minimum fundraising and no element of the Placing is underwritten by Dowgate or any other person.

Conditions of the Bookbuild Placing

The Placing is conditional upon the Placing Agreement becoming unconditional and not having been terminated in accordance with its terms.

Dowgate's obligations under the Placing Agreement are conditional on, *inter alia*:

1. none of the representations, warranties and undertakings on the part of the Company contained in the Placing Agreement being untrue, inaccurate or misleading;
2. the delivery by the Company to Dowgate of certain documents required under the Placing Agreement;
3. the Company having complied with its obligations under the Placing Agreement to the extent that such obligations fall to be performed prior to Admission;
4. the issue and allotment of the Placing Shares, conditional only upon Admission;
5. Admission becoming effective by no later than 8.00 a.m. on 5 December 2024 or such other date and time as may be agreed between the Company and Dowgate, not being later than 8.00 a.m. on 19 December 2024 (the "**Long Stop Date**"); and
6. the Placing Agreement not having been terminated by Dowgate in accordance with its terms.

If: (i) any of the conditions contained in the Placing Agreement, including those described above, are not fulfilled or (where applicable) waived by Dowgate by the respective time or date where specified (or such later time or date as Dowgate may notify to the Company, being not later than the Long Stop Date); (ii) any of such conditions becomes incapable of being fulfilled; or (iii) the Placing Agreement is terminated in the circumstances specified below, the Placing will not proceed and the Placees' rights and obligations hereunder in relation to the Placing Shares shall cease and terminate at such time and each Placee agrees that no claim can be made by the Placee in respect thereof.

Dowgate may, at its discretion and upon such terms as it thinks fit, waive, or extend the period for (subject to the Long Stop Date), compliance by the Company with the whole or any part of any of the Company's obligations in relation to the conditions in the Placing Agreement, save that the conditions relating to Admission taking place may not be waived. Any such extension or waiver will not affect Placees' commitments as set out in this Announcement.

Neither Dowgate nor the Company nor any of their respective affiliates, agents, directors, officers or employees shall have any liability to any Placee (or to any other person whether acting on behalf of a Placee or otherwise) in respect of any decision they may make as to whether or not to waive or to extend the time and/or date for the satisfaction of any condition to the Placing nor for any decision they may make as to the satisfaction of any condition or in respect of the Placing generally and, by participating in the Placing, each Placee agrees that any such decision is within the absolute discretion of Dowgate.

Right to terminate the Placing Agreement

Dowgate is entitled, at any time before Admission, to terminate the Placing Agreement by giving notice to the Company in certain circumstances, including, *inter alia*:

1. Dowgate reasonably considers the Company is in material breach of a provision of the Placing Agreement;
2. if any of the warranties given in the Placing Agreement are misleading in any material respect when given or which might reasonably result in a material breach of any of the warranties when repeated on Admission;
3. there has occurred any material new factor, mistake or inaccuracy relating to the information in the Placing documents;
4. if any condition set out in the Placing Agreement is not fulfilled (or waived) on or before the time and/or date specified for its fulfilment (or such later time as may have been agreed) or if any such condition becomes incapable of being fulfilled and Dowgate notifies the Company that it will not waive such condition;

5. an event or other matter (including, without limitation, any change or development in economic, financial, political, diplomatic or other market conditions (which include conditions affecting securities in the business sectors in which the Company operates and conditions affecting securities generally) or any change in the laws or regulation of any applicable jurisdiction) has occurred or is reasonably likely to occur which is (or will if it occurs be) reasonably likely to materially and adversely affect the assets, financial position or the business or prospects of the Group and which the Broker reasonably considers to be material in the context of Admission and the Placing; or
6. the Company has failed in any material respect to comply with their respective obligations under the Placing Agreement, FSMA, the AIM Rules or UK MAR or any other material regulatory requirement .

The rights and obligations of the Placees will not be subject to termination by the Placees or any prospective Placees at any time or in any circumstances. By participating in the Placing, Placees agree that the exercise by Dowgate of any right of termination or other discretion under the Placing Agreement shall be within the absolute discretion of Dowgate and that Dowgate need not make any reference to Placees in this regard and that neither Dowgate nor any of its respective affiliates shall have any liability to Placees whatsoever in connection with any such exercise or failure so to exercise.

No Admission Document or Prospectus

The Placing Shares are being offered to a limited number of specifically invited persons only and have not been nor will they be offered in such a way as to require the publication of a prospectus in the United Kingdom or in any other jurisdiction. No offering document, admission document or prospectus has been or will be submitted to be approved by the FCA or the London Stock Exchange in relation to the Placing or the Placing Shares, and Placees' commitments will be made solely on the basis of the information contained in the Announcement (including this Appendix) and the Publicly Available Information and subject to any further terms set out in the contract note, electronic trade confirmation or other (oral or written) confirmation to be sent to individual Placees. Each Placee, by accepting a participation in the Placing, agrees that the content of this Announcement is exclusively the responsibility of the Company and confirms that it has not relied on any other information (other than the Publicly Available Information), representation, warranty, or statement made by or on behalf of the Company, Grant Thornton or Dowgate or any other person and none of Grant Thornton, Dowgate, the Company nor any other person will be liable for any Placee's decision to participate in the Placing based on any other information, representation, warranty or statement which the Placees may have obtained or received and, if given or made, such information, representation, warranty or statement must not be relied upon as having been authorised by Grant Thornton, Dowgate, the Company or their respective officers, directors, employees or agents. Each Placee acknowledges and agrees that it has relied on its own investigation of the business, financial or other position of the Company in accepting a participation in the Placing. None of the Company, Grant Thornton or Dowgate are making any undertaking or warranty to any Placee regarding the legality of an investment in the Placing Shares by such Placee under any legal, investment or similar laws or regulations. Each Placee should not consider any information in this Announcement to be legal, tax or business advice. Each Placee should consult its own solicitor, tax adviser and financial adviser for independent legal, tax and financial advice regarding an investment in the Placing Shares. Nothing in this paragraph shall exclude the liability of any person for fraudulent misrepresentation.

Enterprise Investment Scheme ("EIS") and Venture Capital Trust ("VCT") Schemes

Notwithstanding that many aspects of the VCT and EIS legislation are judgmental, the Directors expect that: (i) investments in Ordinary Shares in the Company by a VCT would be regarded as qualifying holdings for the purposes of Part 6 of the Income Tax Act 2007 and would be regarded as "eligible shares" as defined in section 285(3A) of that Act, provided that the investment by the VCT (including any existing investment in the Company) will not exceed 15 per cent. by value of its total investments at the date of the investment; and (ii) a subscription for Ordinary Shares in the Company by individuals would be regarded as "eligible shares" for EIS purposes as defined in section 173 of the Income Tax Act 2007. If the Company carries on activities beyond those disclosed previously to HMRC, then shareholders may cease to qualify for these tax benefits. Investors must take their own professional advice and rely on it.

The status of the Placing Shares as a qualifying holding for VCT purposes will be conditional (amongst other things) on the qualifying conditions being satisfied throughout the period of ownership. The status of the Placing Shares as qualifying for EIS Relief will be conditional (amongst other things) on the qualifying conditions being satisfied, both by the Company and (as regards those conditions to be met by the investor) the investor throughout a period of at least three years from the date of issue. There can be no assurance that the Company will conduct its activities in a way that will secure or retain qualifying status for VCT and/or EIS purposes (and indeed circumstances may arise where the directors of the Company believe that the interests of the Group are not served by seeking to retain such status). Further, the conditions for VCT Relief and EIS Relief are complex and relevant investors are recommended to seek their own professional advice before investing. **This paragraph is without prejudice to any separate comfort letter which may have been given by the Company to certain investors seeking VCT Relief in connection with the Placing.**

Investors considering taking advantage of EIS Relief or making a qualifying VCT investment are recommended to seek their own professional advice in order that they may fully understand how the relief legislation may apply in their individual circumstances. Any shareholder who is in any doubt as to their taxation position under the EIS and VCT legislation, or who is subject to tax in a jurisdiction other than the UK, should consult an appropriate professional adviser.

Registration and Settlement

Following closure of the Placing, each Placee allocated Placing Shares in the Placing will be sent a trade confirmation or contract note in accordance with the standing arrangements in place with Dowgate, stating the number of Placing Shares allocated to it at the Placing Price, the aggregate amount owed by such Placee (in pounds sterling) and a form of confirmation in relation to settlement instructions.

Each Placee will be deemed to agree that it will do all things necessary to ensure that delivery and payment is completed as directed by Dowgate in accordance with the standing CREST settlement instructions which they have in place with Dowgate.

Settlement of transactions in the Placing Shares (ISIN: GB00BTFR4F17) following Admission will take place within CREST provided that, subject to certain exceptions. Settlement through CREST is expected to occur on or around 5 December 2024 (the "**Settlement Date**") in accordance with the contract note, electronic trade confirmation or other (oral or written) confirmation. Settlement will be on a delivery versus payment basis. However, in the event of any difficulties or delays in the admission of the Placing Shares to CREST or the use of CREST in relation to the Placing, the Company and Dowgate may agree that the Placing Shares should be issued in certificated form. Dowgate reserve the right to require settlement for the Placing Shares, and to deliver the Placing Shares to Placees, by such other means as they deem necessary if delivery or settlement to Placees is not practicable within the CREST system or would not be consistent with regulatory requirements in the jurisdiction in which a Placee is located.

Interest is chargeable daily on payments not received from Placees on the due date(s) in accordance with the arrangements set out above at the rate of 4 percentage points above the prevailing Bank of England base rate as determined by Dowgate.

Subject to the conditions set out above, payment in respect of the Placees' allocations is due as set out below. Each Placee should provide its settlement details in order to enable instructions to be successfully matched in CREST.

The relevant settlement details for the Placing Shares are as follows:

CREST Participant ID of Dowgate	KBUAG (CC0201)
Expected trade time & date:	at or around 4:35 p.m. on 2 December 2024
Settlement Date:	5 December 2024
ISIN code for the Placing Shares:	GB00BTFR4F17
Deadline for Placee to input instructions into CREST:	12.00 p.m. on 4 December 2024

Each Placee is deemed to agree that, if it does not comply with these obligations, Dowgate may sell any or all of the Placing Shares allocated to that Placee on such Placee's behalf and retain from the proceeds, for Dowgate's account and benefit (as agent for the Company), an amount equal to the aggregate amount owed by the Placee plus any interest due. The relevant Placee will, however, remain liable and shall indemnify Dowgate on demand for any shortfall below the aggregate amount owed by it and may be required to bear any stamp duty or stamp duty reserve tax or securities transfer tax (together with any interest or penalties) which may arise upon the sale of such Placing Shares on such Placee's behalf. By communicating a bid for Placing Shares, each Placee confers on Dowgate such authorities and powers necessary to carry out any such sale and agrees to ratify and confirm all actions which Dowgate lawfully takes in pursuance of such sale. Legal and/or beneficial title in and to any Placing Shares shall not pass to the relevant Placee until it has fully complied with its obligations hereunder.

If Placing Shares are to be delivered to a custodian or settlement agent, Placees should ensure that the form of confirmation is copied and delivered immediately to the relevant person within that organisation.

Insofar as Placing Shares are registered in a Placee's name or that of its nominee or in the name of any person for whom a Placee is contracting as agent or that of a nominee for such person, such Placing Shares should, subject as provided below, be so registered free from any liability to UK stamp duty or stamp duty reserve tax or securities transfer tax. Neither Dowgate nor the Company will be liable in any circumstances for the payment of stamp duty, stamp duty reserve tax or securities transfer tax in connection with any of the Placing Shares. Placees will not be entitled to receive any fee or commission in connection with the Placing.

50. that its allocation (if any) of Placing Shares will represent a maximum number of Placing Shares which it will be entitled, and required, to acquire, and that Dowgate and/or the Company may call upon it to acquire a lower number of Placing Shares (if any), but in no event in aggregate more than the aforementioned maximum; and
51. that if it has received any confidential price sensitive information concerning the Company in advance of the publication of this Announcement, it has not: (i) dealt in the securities of the Company; (ii) encouraged, required, recommended or induced another person to deal in the securities of the Company; or (iii) disclosed such information to any person, prior to such information being made publicly available.

The Company, Dowgate and their respective affiliates will rely upon the truth and accuracy of each of the foregoing representations, warranties, acknowledgements and undertakings which are given to Dowgate for itself and on behalf of the Company and are irrevocable.

The provisions of this Appendix may be waived, varied or modified as regards specific Placees or on a general basis by Dowgate.

The agreement to settle a Placee's subscription and/or purchase (and/or the subscription of a person for whom such Placee is contracting as agent) free of stamp duty and stamp duty reserve tax depends on the settlement relating only to a subscription by it and/or such person direct from the Company for the Placing Shares in question. Such agreement assumes that the Placing Shares are not being subscribed for in connection with arrangements to issue depositary receipts or to transfer the Placing Shares into a clearance service. If there are any such arrangements, or the settlement relates to any other subsequent dealing in the Placing Shares, stamp duty or stamp duty reserve tax may be payable, for which neither the Company or Dowgate will be responsible, and the Placee to whom (or on behalf of whom, or in respect of the person for whom it is participating in the Placing as an agent or nominee) the allocation, allotment, issue or delivery of Placing Shares has given rise to such UK stamp duty or stamp duty reserve tax undertakes to pay such UK stamp duty or stamp duty reserve tax forthwith and to indemnify on an after-tax basis and to hold harmless the Company and Dowgate in the event that any of the Company and/or Dowgate have incurred any such liability to UK stamp duty or stamp duty reserve tax. If this is the case, each Placee should seek its own advice and notify Dowgate accordingly.

In addition, Placees should note that they will be liable for any stamp duty and all other stamp, issue, securities, transfer, registration, documentary or other duties or taxes (including any interest, fines or penalties relating thereto) payable outside the UK by them or any other person on the subscription or purchase by them of any Placing Shares or the agreement by them to subscribe for or purchase any Placing Shares.

References to time in this Announcement are to London time, unless otherwise stated.

All times and dates in this Announcement (including the Appendices) may be subject to amendment. Dowgate shall notify the Placees and any person acting on behalf of the Placees of any changes.

This Announcement has been issued by, and is the sole responsibility, of the Company. No representation or warranty express or implied, is or will be made as to, or in relation to, and no responsibility or liability is or will be accepted by Dowgate or by any of its respective affiliates or agents as to or in relation to, the accuracy or completeness of this Announcement or any other written or oral information made available to or publicly available to any interested party or its advisers, and any liability therefore is expressly disclaimed.
